GOVERNMENT OF MYSORE

P. R. [illegible] Precis

A-S No. 20 of 1892-93

Appellant: Mari Sidde-gowda Patel of Harnahalli. Arsikere Taluk.

No. 559

This I dont think we Council Can- Remit fine Plaint acted in good faith & in execution of the former holding laid down for his guidance - Can Dayarama also Verify

On the 24th November 1891 the Amildar of Arsikere issued an order to the Shekdar of Harnahalli hobli that since it had been brought to his notice that the water in the Harnahalli tank was being recklessly wasted by some of the landholders of Harnahalli and since the reason for this extravagant waste of water was no other than the failure of co-operation on the part of the two patels of the village, with each other in economically regulating the supply of water from the tank to the landholders, Patel Mari Sidde-gowda alone should in future be entrusted with the duty of looking after the supply of water without giving room to any complaint whatever.

A separate order to the same effect was also issued to Mari Sidde-gowda.

On the 25th November 1891 one Roof Sab presented

a petition to the Amildar of Arsikere that he owned some wet land below the tank of Harnahalli that he had sown wheat, Bengal gram &c in some portions of the land and there was also some more wet land ~~there~~ in his holding where seeds had yet to be sown, that there was barely any rain to enable him to raise proper crops, that some of the other landholders had been for eight or ten days past utilizing water from from the Harnahalli tank for their land, that although he was very much in need of water for his land Patel Mari Siddegowda had refused to allow it and that therefore orders might be passed to allow water for his land.

On the same date the Amildar issued an order to the Shekdar that if there was water in the tank and if the other ryots in the village had also been allowed water for their lands, the petitioner's request might also be complied with. 25-11-91

The Shekdar thereupon ~~Sub~~ submitted a report to the Amildar that on the 26th November 1891 he caused the sluice of the tank to be opened and allowed water for petitioner's No. 785 of 27-11-91

wet land, that on the morning of the 27th november he caused the sluice to be closed since the inhabitants of the village complained that the water in the tank was wasted, that if under these circumstances water was allowed to petitioners lands other landholders also would claim similarly, and if water was allowed to all the lands there would be nothing left in the tank.

On the 28th november 1891 the Amildar issued an order to the Shekdar that if after reserving proper quantity of water in the tank for the use of men and cattle, there was still sufficient water it might be properly distributed to all the lands that had crops on them, including Petn's lands.

× No. 576

1-12-91

On the 1st December 1891 the Shekdar reported to the Amildar that in accordance with the above order he had sent a "takeed" to Patel Marisiddegowda who had been specially entrusted with the duty of distributing water from the Harnahalli tank to the landholders there, that the said Marisiddegowda had refused to receive the "takeed" and give proper effect to it, and that definite orders should be issued in the matter of allowing water to petitioners 2 coss of Sub's lands.

On the same date petitioner Isoof Sab presented another petition to the Amildar that if water was not allowed for his land immediately, the crops standing thereon would fail and he would be subjected to much loss. 1-12-91

On the 4th December 1891 Mari Siode Gowda Patel gave a statement before the Amildar that in accordance with the orders first issued water was allowed to petitioner Isoof Sab's land where wheat and other crops had been standing, that Isoof Sab owned some more land in the last "kantha", that there was no crop on it, that the petitioner wanted to sow Bengalgram there and therefore required water, that even if water was allowed to flow out of the tank incessantly for three days it would not reach his land and that it was for this reason that no water was allowed to this (particular) land.

The Amildar thereupon reported to the Deputy Commr that he had personally seen the quantity of water in the Harnahalli tank and was of opinion that if the water in it was not wholly 5-12-91

reserved for the use of men & cattle in the next summer, much inconvenience would be felt.

On the 11th December 1891 Isoof Sab above named presented a petition to the Deputy Commr that the crops on his land below the Hannahalli tank had withered and he was further unable to sow Bengal gram there owing to the water not being supplied to the said land, and that ~~he~~ therefore the loss sustained by him might be ordered to be made good.

On the 2d January 1892 the Deputy Commr issued to the said Isoof Sab an endorsement that the Amildar's order, that there was little water in the tank and if it was allowed for the "banjar" land there would be nothing left for the use of men & cattle, that under these circumstances no water could be allowed to the Petr (Isoof Sab) for his "banjar" land, — that this order was proper and no relief could be granted to him (Petr).

20-1-92

Petitioner Isoof Sab again presented a petition to the Deputy Commr that at the

ensuing jamabandi his
case might be reconsidered

The Deputy Comr
thereupon ordered the 29-2-92
Amildar to submit a state-
-ment shewing the Extent
& the Survey Nos of Isoof
Sab's lands the crops on which
were alleged to have withered
owing to the water not
being supplied properly.

Another statement was
also called for shewing the 4-5-92
assessment* of the lands of Isoofsab,
the crops on which were
said to have withered on
account of water not being
supplied to them.

* The total assessment
given in the statement
is Rs 39-0-0

Both the above state-
-ments were submitted by
the Amildar to the Deputy
Comr.

On the 16th May 1892
the Deputy Comr. Mr.
Hajee Sajjad Nasirudeen
Saheb ordered that he
had personally seen the
water in the tank and
found that there was
enough of water in it, that
if water had been sufficiently
allowed for the crops that
had been raised by Isoof
Sab his crops would not
have withered, that it
was clear from the records
that Patel Marisidde'
gowda alone had been
specially ordered to look
after the distribution of

water in the tank to the lands below it, that the said Mari Sidde Gowda had refused to receive & carry out the orders issued to him by the Shekdar in accordance with the amildar's orders, that water should be allowed to Isoof Sab's lands, that upon personal enquiry it was found that the injury was caused to Isoof Sab owing to some ill-feeling between him and some of the villagers and that Mari Sidde Gowda should under these circumstances be ordered to pay Rs 39 being the amount of assessment on the lands of Isoof Sab.

Mari Sidde Gowda now appeals to this office against the above order:-

He alleges:-

(1) That during the last year there was insufficient rain and the above named Isoof Sab like other ryots in the village raised dry crops only.

(2) That Isoof Sab raised two crops in the year.

(3) That for the second crop there was not much water in the tank & the Govt also had in the meantime ordered that the tank-water should be carefully reserved for drinking purposes.

(3) That 250 of sab wanted to sow Bengal gram in his "bangar" land & since water was not allowed for that purpose he complained.

(4) That the report made by the local authorities that if water in the tank was not reserved solely for drinking purposes there would be much inconvenience is not false.

(5) That notwithstanding this the Deputy Commr finds there was plenty of water in the tank.

(6) That the Dy Commrs order fining him (appellt) for having merely obeyed Govt orders to carefully look after the supply of water in the tank is improper.

The appellant prays that the Dy Commrs order may be set aside & the fine remitted and further that Execution may be stayed pending the disposal of this appeal by Govt.

In Council

Memo

A.S No 20 of 1892-93

Appellant: Mari Sidde'gowda
Patel of Harnahalli
Arsikere Taluk

During the last year (1891) there was not a good supply of water in the tank of Harnahalli in Arsikere Taluk. Some of the ryots of the village complained to the Amildar that the ryots holding land below the tank had been recklessly wasting the water in the tank and if it was not put a stop to there would be little or no water for drinking purposes in the Summer season.

On the 24th November 1891 the Amildar issued an order to the Shekoar of Harnahalli that in future Patel Mari Sidde'gowda (appellant) alone should carefully look after the supply of water in the tank. A separate order to the same effect was also issued to the appellant.

On the 25th November 1891 one Isoof Sab who holds some wet lands below the tank presented a petition to the Amildar that water should be allowed to his lands since there were some crops on it, he wanted to sow seed on the lands.

The Amildar thereupon ordered the Shekoar that if

Posted for hearing on 11th May 93.

25.11.91

Adjourned to 27th July.

there was water in the tank and the other ryots had also been allowed water for their lands, Isoof Sab's request might also be complied with. without causing inconvenience

On the 26th november the Shekoar accordingly caused the sluice of the tank to be opened and allowed water to petitioner Isoof Sab's land but on the following day he caused the sluice to be closed since the villagers complained that the water was being wasted.

Isoof Sab having again complained to the Amildar that sufficient water was not allowed for his lands, the Amildar ordered 28.11.91
that if after reserving proper quantity of water in the tank for the use of men & cattle there was still sufficient water, it might be distributed to all the lands having crops on them including Isoof Sab's lands.

The Shekoar to whom the above order was issued, sent a "takeed" to Patel Marisidde' gowda who had been specially entrusted with the duty of looking after the water supply ~~in accordance~~ to give effect to with the said order.

~~The~~ Patel Marisidde'gowda appellant, refused to receive the above "takeed" & give proper effect to it.

Isoof Sab again complained to the Amildar & the Shekoar 1.12.91
also reported that the appellant refused to obey his orders.

On the 4th December 1891 the appellant gave a statement before the Amildar that in

accordance with the orders first issued, Isoof Sab was allowed water for his lands where crops had been standing, that the said Isoof Sab not being satisfied with it wanted water for his "bangar" land in the last "kantha" but it was not allowed since by letting water to this land in the last "kantha" much water would be unnecessarily wasted.

On the 5th Decr 1891 the Amildar reported to the Dy Commr that he had personally seen the supply of water in the Tank that if the water was not wholly reserved for drinking purposes much inconvenience would be felt.

On the 11th Decr 1891 Isoof Sab again complained to the Dy Commr that he had sustained much loss owing to water not having been allowed for his lands.

On the 2d January 1892 the Dy Commr issued Endorst to Isoof Sab that since the Amildar had reported that there was not sufficient water in the tank it could not be allowed to ~~Isoof Sab~~ his "bangar" land, nothing could be done to him.

x Mr. Haji Nasir-ud-din

Isoof Sab having again represented his case to Mr Haji Sayid Nasiruddeen ~~Assistant~~ Deputy Commr at the Jamabundi, the said Offr inspected the tank and ordered that there was sufficient water in the tank, that the appellant who alone had been specially entrusted with the duty of distributing water to the lands had deliberately refused to receive the water issued to him by the Shekdar and give proper effect to it,

16th May 1892

that if the appellant had allowed once more
sufficient water to Isoof Sab's
lands the crops standing on them
would not have failed and
that for this reason the said
appellant must pay Rs 39 being
the amount of assessment on
Isoof Sab's lands the crops on
which were found to have
failed owing to the water not
being properly allowed for them.

Mari Sidde Gowda now
appeals against this order. 12.8.92
He alleges:-

(1) That Isoof Sab raised
two crops last year although
there was insufficient rain.
(2) That Isoof Sab complained
against him since no water
was allowed for his "banjar"
land where he wanted to sow
Bengal ~~gram~~ gram.
(3) That the villagers had
requested the amildar that
the water in the tank should
be reserved for drinking purposes
only & the amildar also had
reported to the Dy Comm^r that
if the water was not so reserved
much inconvenience would
be felt.
(4) That he merely obeyed Govt
orders in not allowing water
to Isoof Sab's "banjar" land.
(5) That the Dy Comm^r's order
directing him to pay a fine of
Rs 39 is, under the above
circumstances improper &
should be set aside.

The appellant also prays
that pending disposal of this
appeal by Govt the execution
of the Dy Comm^r's order may
be stayed.

2 "Hunjar"

L. R. 202-92

GOVERNMENT OF MYSORE

The reasons assigned by the Dy Com for fining the Appellant are —

(1) That he (Dy Com.) found from personal inspection that there was more water in the tank (than what was required for drinking purposes).

(2) If Inf sab had been once more given water sufficient to irrigate his cultivated land the crops would have been saved & the Counter-Petr Inf sab would not have been put to loss.

(3) The records shew that the Amildar had entrusted the work of distributing water to the Appellant solely.

X/ Petr's Pakeed to Shekr dy 24.11.91, No 559
2. Shekr's report dy 1.12.91. No 793.

(4) that the Appellant refused to receive & give effect to the Takeed sent by the Chief in the matter of giving more water to Insufab.

(5). that the Patel's statement that water had been given for the cultivated lands of Insufab & that Insufab wanted water for his Banjar (waste) land, was false.

(6) that the Amildar did not inspect the lands concerned.

(7) that there was ill-will between the Patel (Applt) & the Counter-Petnr: & that was why he was not given water.

There appear to be two Patels for this village viz. Ramaiya & the Appellant.

and in order to prevent waste of water the above explanation that Patel Maniside Janda (Appellant) alone should attend to the work of distributing water - and that where water was required to a limited extent it should be given.

The crops on the following lands appear to have been lost - (Please see Shanbhog's statement)

Survey No:	Extent	Ast:	Crops sown -
210	3-30	14-0-0	Paddy
211	1-10	4-8-0	'Hentya'
219 pt.	1-14	5-0-0	do.
226	2-37	11-0-0	Paddy, Wheat & 'Hentya'
243	1-3	4-8-0	Paddy
Total	10-14	39-0-0	

The Shanbhog certifies that these crops wanted one more supply of water

The Division in his order appealed against

if the Kandayam had already collected from Rupsab the amount should be paid to him. If not, it should be credited towards Rupi Kandayam and the lands omitted in the list of remissions.

It is admitted that the Counter Petitioners lands are far away below the tank.

Rupsab wanted more water not only for his Cultivated lands but also for Cultivating his. She wet lands with Wheat, Bengal gram, & Mendyam.

The present Dy Com in concluding his report states "there is no reason to suppose that Patel was actuated by any objectionable motive".

ABSTRACT.

Last year owing to scanty rain, the Harnahalli tank was filled only to a small extent, and therefore the holders of the lands in its Ayakat raised only dry crops at first, as also did Isaph Sab (Complainant) whose land is situated at the very end of the Ayakat. As towards the time of the second crop the tank contained just as much water as was required for men & cattle

Petitioner to allow water only to those fields whose crops were almost fit for reaping. Consequently Petitioner did not give water to Complainants' field as he after obtaining both the crops wished to irrigate his land that was then waste so that it may be fit for sowing bengal-gram the next time. He complained against Petitioner to the Dy. Commr. who issued Order No. 1989 of 16.6.92 to the effect that Complainants' crops would not have failed had water been allowed to them as was existing hatred
necessary, that there was, between Complainant on one side and Petitioner and others on the other; that Petitioner purposely withheld water from Complainants' field and that therefore the former should pay as a fine Rs 39 the latter's Kandayam.

Petitioner appeals against

GOVERNMENT OF MYSORE

No. 442
On Petition &
file of papers.

Deputy Commissioner's Office,
Hassan District.

Dated Hassan 10th October 1892.

From,

P. N. Pémaraja Esqre.
Deputy Commissioner,
Hassan District.

To

The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

With reference to your official memo No. 298 Dated 30th August, forwarding for submission of Proceedings with a report, a petition from Imam Siddegowda, Patel of Hannahalli, Arsikere Taluk, appealing against the order of this office that the appellant should pay as a fine, the Kandayam due on 2 suff sub's land for which he did not allow water, I have the honor to state that on the 25th

25th November last the said Resuff
sab presented a petition to the
Huildar praying that orders
may be issued to allow water
to his wet lands below the Tank
of Hannahalli as some of them
were sown with Jenn Greek wheat
Rag and also stating that Potél
Imam siddégowda refused to
allow water to his lands while he
allowed it to the lands of other
Raiyats. On the same day the
Huildar issued an order to the Shank
-dar directing him to allow
water to the lands of the Petitioner
(Resuffsab) if there was sufficient
water in the Tank and if the
lands of other Raiyats were
allowed the same. On the 26th
November the Shankdar opened
the sluice of the Tank on account
of the lands of the Petitioner, some

J

of which were irrigated. In the meantime the people of the village came and raised a cry saying that the water in the Tank was wasted. Therefore on the morning of the 27th the Shaikdar got the sluice closed and reported the fact to the Amildar stating that the occupants of the lands below the Tank request that water may be allowed to their lands and that if their prayer is granted the water in the Tank would be exhausted there being only a weeks supply of water in it. The Shaikdar also solicited instructions whether he should allow water to the lands of unsuitable or not. Thereupon the Amildar issued an order to the Shaikdar directing that all lands

lands (including Ersuffsabs land)
on which crops were standing
might be allowed water paying
due attention to reserve as much
water as would be required for
the use of men and Cattle for
drinking. And the Shaikdar
in accordance with the above
order sent a Talkid to Potél —
Manisiddégowda who was
appointed to look after the
business of the distribution of
water in the Tank. The Potel did
not allow water to the bagair
lands of Ersuffsab on the groun
of having already allowed water
to his lands on which crops
had been raised. Ersuffsab
afair complained to the Amildar
that if water were not allowed
to his lands he would be a great
loser and that therefore he should
be

GOVERNMENT OF MYSORE

be allowed water.

2- The Amildar after inspecting the Tank reported to this office in his No. 1418 Dated 5th December 1891 that there is only a small supply of water in the Tank and that if water is allowed to lands below it there would be distress for water for men and cattle during the hot season and solicited instructions as to how he should proceed in the matter. He was informed in this office No 1171 Dated 15th December 1891 that it was essential to reserve as much water as was necessary for men and cattle and that if there were more water in the Tank the Ryots should be allowed to irrigate their lands.

3. When Mr. Hafiz Syed Naseeroodeen

the then Deputy Commissioner had been to Arsikere Taluk for Jamabundi in the month of February resultsab again presented a petition praying that his case may be considered by personal inspection of his land &c. That officer after inspecting the Tank found that there was then a sufficient supply of water in the Tank and that if the Patél Manisiddégowda had allowed water once to Resultsab's land his crops would not have failed and for this fault the Amildar was ordered in this office, order No. 1989 Dated 16th May 1892 to recover from Patél Manisiddégowda the appellant as a fine the sum of Rs39 and credit the same to the Kandayam of Resultsab and if the latter had paid his Kandayam the said amount should be paid to him (Resultsab).

4- The entire proceedings of the

case

GOVERNMENT OF MYSORE

Case ending with Arsikere Amildar's report No 402 Dated 11th September 1892 together with the enclosures of your memo under reply are herewith submitted.-

5th — If the Amildar had himself inspected the Fauk which was only 4 miles from his Kasba, there could have been no Complaint like the present against the Potél. The matter was certainly of sufficient importance for the Amildar's personal inspection and settlement. He should have done so instead of leaving it to the entire unaided discretion of the Potél. At least certain definite instructions should have been given to the Potél for his guidance and there is no reason to suppose that Potel was actuated by any objectionable motive.- I have the honor to be,

Sir,

Your most obedient servant;

M Srinivasa

Deputy Commissioner
Hassan District

ಶ್ರೀ ಶ್ರೀ ಶ್ರೀ ಗುರುಪಾದ ದೇವರ ಪಾದಕಮಲಕ್ಕೆ
ನಮಸ್ಕಾರಗಳು. ನಾವು ಕುಶಲ.
ನೀವೂ ನಿಮ್ಮ ಕುಶಲ ಅಂತೆಯೇ
ಶ್ರೀ ದೇವರ ಕೃಪೆಯಿಂದ ಆಶ್ರಮದಲ್ಲಿ
ಎಲ್ಲರೂ ಚೆನ್ನಾಗಿದ್ದಾರೆ. ಶ್ರೀ ಗುರುಗಳ
ಆಶೀರ್ವಾದದಿಂದ ಕೆಲಸಗಳು ಚೆನ್ನಾಗಿ
ನಡೆಯುತ್ತಿವೆ. ಶ್ರೀ ಗುರುಗಳ ಆಶೀರ್ವಾದ
ಪತ್ರವು ಬಂದಿತು. ಅದರಲ್ಲಿ ಬರೆದಿರುವ
ವಿಷಯಗಳನ್ನು ಓದಿ ತಿಳಿದುಕೊಂಡೆವು.
ಶ್ರೀ ಗುರುಗಳ ಆಶೀರ್ವಾದ ಪತ್ರವು
ಬಂದಿರುವುದರಿಂದ ಆಶ್ರಮದಲ್ಲಿ
ಎಲ್ಲರಿಗೂ ಬಹಳ ಸಂತೋಷವಾಯಿತು.
ಶ್ರೀ ಗುರುಗಳ ಆಶೀರ್ವಾದ ಪತ್ರವು
ಬಂದಿರುವುದರಿಂದ ಆಶ್ರಮದಲ್ಲಿ
ಎಲ್ಲರಿಗೂ ಬಹಳ ಸಂತೋಷವಾಯಿತು.
ಶ್ರೀ ಗುರುಗಳ ಆಶೀರ್ವಾದ ಪತ್ರವು
ಬಂದಿರುವುದರಿಂದ ಆಶ್ರಮದಲ್ಲಿ
ಎಲ್ಲರಿಗೂ ಬಹಳ ಸಂತೋಷವಾಯಿತು.
